VOL. LXXVIII NUMBER 40

LLOYD PEDERSEN, KATHY LUSIAK and Stan Sutherland play the lead roles in "Pygmalion", being presented at the Antioch High School auditorium next Friday and Saturday.

## Urges That All Public Moneys Be Audited

### Two Stars For Moon Is Blue

The Palette, Masque and Lyre advises you to be prepared for a night of fun and entertainment, when they present "The Moon Is Blue," a romantic, sophisticated comedy in three acts, Friday and Saturday, April 17-18 and 24-25.

Watch the complications arise when boy meets girl in New York; and how things can really get out of hand when a girl finds herself alone with two suitors and her father.

Sandra Strong and Janice Church will both star as Patty O'Neill, the ingenue, wholesome, 21 year old daughter of a very Irish cop. Janice will be "Patty" for the weekend of 17-18, and Sandra will star on the 24-25 performance. This is the first stage appearance for both Janice and Sandra. As such, they do an excellent job.

Dane Lucas will play Don Gresham, a successful young architect of very substantial means. Theatergoers will remember Dane as the awkward, stumbling, young "Frank Lippencott" of "My Sister Eileen."

Dan Bevington, the director of the production, will also star as David Slater, a rich middle-aged playboy. Dan has done a lot of work for P. M. & L. in the past. Although most of his accomplishments have been behind the scenes, Dan has shown his versatility by doing an excellent job on stage as well as off.

Mr. O'Neill, the Irish cop

State Auditor Michael J. Howlett pointed out in a speech recently that Illinois has more local governments than any other state in the union—a total of 6,542 as of January, 1962. There is a local government for every 1,562 people, and 5,388 of these local governments have the power to tax property.

Howlett said that between a fourth and a third of all the money spent by the state government in Illinois is actually paid directly to local governments. And many of these local governments, Howlett said, do not have their accounts audited regularly by professional accountants brought in from outside.

Howlett campaigned successfully for the County Auditing Law signed by Governor Kerner in 1963. It makes professional audits mandatory in 87 counties.

He is now pressing for a Public Money Accounting Code, which would require local governments at every levels to be audited independently by outside professional accountants.

and father of "Patty" will be played by Ed Roberts. Ed played the part of "Lonigan", who by a strange coincidence was also an Irish cop, in "My Sister Eileen."

The production will take place at the Palette, Masque and Lyre Theatre, 877 Main Street, Antioch. Performance nights will be Friday and Saturday, April 17-18, and 24-25. Curtain time for all performances will be at 8:30 p.m. Tickets may be purchased by calling 395-0198 after 5 p.m. or at the box office.

## Pygmalion At High School This Week-End

The Fine Arts Dept. of Antioch Community High School will present the play, "Pygmalion," on Friday and Saturday, April 3 and 4.

The curtain will go up in the auditorium of the high school at 8 p.m.

"Pygmalion" is the story of a man and the girl he raises from a gutter to become a fine lady. Henry Higgins and Liza, the little cockney who almost becomes a lady, realize, almost too late, that one shouldn't try to be something one isn't.

James Corrigan, director of the play, says that the cast does an outstanding job. "Their mastery of the cockney and English accents are amazing," he remarked.

Kathy Lusiak as Liza, Lloyd Pedersen as Henry, and Stan Sutherland as Col. Pickering have the leading roles. There are thirteen other speaking parts: Randi Jacobson, as Mrs. Higgins; Bob Thomley as Alfred Doolittle; Kathy Strahan as Mrs. Hill; Linnea Christensen as Miss Hill; Cavan Riley as Freddy; Joan Tanner as Mrs. Pearce; Harry Burke and Brad Lubas as bystanders; Ernie Westlund as the Taxi-man and Julie Nissen as the parlormaid.

James Corrigan is assisted by Donald Beveroth and Mary Baehler.

## Students Wash Cars

We predict a rash of shining cars next Saturday, April 4.

The reason: students from the Spanish Club at Antioch Community High School will be running a car wash to make money to add to the fund for the Foreign Student Exchange.

The car wash will be operating at Murrell's Standard Service on Main St. from 8:30 a.m. to 5 p.m. Bargain prices—\$2.00 a car.

## Open Meeting Of Legion Post

The monthly meeting of Antioch American Legion Post No. 748, to be held on Monday, April 6, will be an open meeting, with Legion members invited to bring their wives, mothers and sisters.

The purpose of the meeting is to acquaint those attending with some interesting facts relative to our military defense program, as many of the younger men will soon be called up for military service.

Charles F. Clark, FTC, Proc. & Recr. Officer attached to the Department of the Navy at the Naval Air Station, Glenview, Ill., will be on hand for a short talk and show movies covering the advance of Naval air power and

the evolution of our aircraft carriers.

The program should be of great interest to the young men of the area, especially to those interested in the Naval Air Reserve program.

The evening's program will not be very long and refreshments will be served.

## Clavey Speaks To Antioch GOP Women

Orville (Pat) Clavey, speaking to about 130 Republican Women of Antioch last Thursday, promised an all-out war on traffic fatalities, especially those involving minors, if he is elected coroner of Lake County.

Clavey said he would advocate raising the age limit for driver's licenses and making them harder to get, and that he would go to Springfield, if necessary, to fight for such a law. In addition, he wants a longer period of driver education in high schools. "I think we should pound it into them for all four years of high school," he said. "Drive slow—be careful—if we keep telling them it's bound to have some effect."

Clavey also said he would see that requests were held more quickly than has been the practice—within seven days. He would make it a point, he said, to see that he was at the scene of each fatal accident, getting evidence first-hand.

Drinking minors, Clavey clared, should be punished, as well as the adult who sells them the liquor. There is no law now, he said, that provides for punishment of the minor who buys liquor. He would advocate a jail sentence in these cases.

The brunch at which Clavey was the guest of honor was sponsored by the Woman's Auxiliary of the Antioch Republican Club. Mrs. Bernard Osmond was general chairman of the event, and Mrs. Ray Van Patten introduced Mr. Clavey. The brunch was held at Lorenz's Smart Country Club.

Nick Keller also addressed the ladies, endorsing Mr. Clavey's candidacy.

## Red Cross Flooded By Local Queries On Alaskan Quake

American Red Cross headquarters in Waukegan is beginning to get answers to the flood of requests they have had from local people for information as to the welfare of relatives and friends in quake-torn Alaska.

Miss Charlie Vosburgh, Executive Director of the chapter, said answers to requests for information finally started to come through Tuesday. Red Cross headquarters in Seattle, which is handling all the communications, has been bogged down with a tremendous backlog of inquiries from anxious relatives and friends. The difficulty of locating people in the confusion of the devastated area, plus the breakdown of communications in Alaska, made it almost impossible to get information the first few days.

Maurice Levine, Antioch chairman of the Red Cross, visited the Waukegan chapter Tuesday and was asked by Miss Vosburgh to deliver a telegram to a family in Richmond, containing information on an Alaskan resident. The local family could not be contacted by phone. At that time, Miss Vosburgh had received the first answers and had a sheaf of telegrams to handle. She said all families were contacted immediately as information came in.

Ham radio operators, Miss Vosburgh said, have been most helpful in relaying information to families in the state. Many have telephoned information that they picked up on their radios to the families concerned or to Red Cross headquarters. They work closely with the Red Cross in times of disaster, Miss Vosburgh said. A ham operator from Denver relayed information to a McHenry family after the Alaskan quake.

Phone calls from anxious people started pouring into Waukegan headquarters Saturday morning. With Miss Vosburgh out of town, Miss Blair was kept busy Saturday handling calls. Sunday both Miss Vosburgh and Miss Blair were kept busy by the phone. Over 100 calls for information have been handled by the local chapter, with many more handled by Red Cross chapters at Fort Sheridan and Great Lakes.

General Reed, in command of military personnel in Alaska, said no servicemen were injured in the quake. According to Miss Vosburgh, he instructed all members of the armed forces to write home, air mail, the day after the quake. These letters are beginning to arrive, reassuring families of servicemen.

All information received by the local Red Cross is being immediately passed on to the families concerned, Miss Vosburgh said.

## Hospital Reaps Benefit Of Successful Fashion Show

By Pearl Kapell

Hats off, even you gals who won prizes for them, to the fashion show put on by

the Antioch Woman's Club last Monday for the benefit of Countryside Hospital.

Mrs. Jerome Vogler, general chairman, gave figures of 434 paid admissions to the show. Adding members who were working on the affair, attendance reached 500.

The elaborate costumes worn by the models to trace the history of fashion were rivaled by the gay Easter costumes worn by the hundreds of women in the audience at St. Peter's Social Center.

Phyllis McMillen, who created the costumes for the fashion show, dressed the matching dolls, and served as commentator, received several beautiful bouquets from well-wishers before the show ended.

Little Johnnie Kakacek, as King Henry the VIII, stole the show. He swept aside the blandishments of the Queens who sought his favor with kindly disdain. Later, introduced by Mrs. McMillen in his Easter outfit, he politely corrected her mistaken reference to his black coat to inform her it was dark blue.

Audience-participation contests interspersed through the History of Fashion gave the ladies a chance to view the most outstanding spring outfits among the audience. Chosen as most attractively-hatted women were: gray-haired, Fern Watson; blonde, Bette Meyer; brunette, Ellen Ryan; red-haired, Mrs. C. Zetek, and best at the show, Dorothy Teague. Mrs. Teague's wide-brimmed straw was a mass of small daisies, interspersed with green leaves. Lynn Sterbenz was winner in the children's group in this contest.

Mrs. Edward Abderholden and daughter Susan won the mother-daughter fashion parade, with honorable mention going to a three-generation group, Mrs. Irving Paddock, Mrs. Irving Forster and Mrs. Edward Warner.

Girl Scout Cadettes served coffee during the dessert luncheon which preceded the show. Mrs. Vogler, after the show, said, "I'd like to give a special thanks to the two Girl Scouts who washed the hundreds of pieces of silver used for the luncheon. I haven't been able to find out their names yet."

Mrs. McMillen also voiced a thanks to the Girls Scouts, who helped her pack the costume dolls and other paraphernalia after the show.

For anyone who missed the History of Fashion show, Mrs. McMillen is already planning another in a nearby community in the near future.

Mrs. Ted Larson, president of the Antioch Woman's Club, thanked all who helped with the show. Father Henderson opened the show with a prayer.

## T. B. On Rise In County

The Lake County Tuberculosis Sanatorium Board reports an increase in the number of tuberculosis cases in Lake County in 1963.

After the introduction of new tuberculosis-fighting drugs in the 1950's, it was hoped that tuberculosis would soon be permanently licked. In the sixties, the incidence of T.B. started to rise again.

The rise in T.B. is not confined to Lake County. Illinois, Michigan and probably the entire nation have more cases.

The increase in T.B. is more difficult to control, according to the annual report of the Lake County Sanatorium Board, because of the influx of new residents and migrant workers.

The total revenue of the Sanatorium in 1963 was \$437,653.00. Total expenses were \$500,320.00. The tax rate for the institution has declined steadily since 1959. In 1959, it was \$.015 per \$100 of assessed valuation; in 1960, .041; in 1961, .036, and in 1962, .031.

In 1963, 14,144 visits were made to the clinic by outpatients. 422 persons received hospital care.

## GOP Faithful Gather To Cheer Candidates

Over 400 persons heard a stirring speech by Elmer J. Hoffman, (R, Wheaton) at the Antioch Township Republican Club's 6th Annual Spring Dinner party, Saturday evening at Lorenz's Smart Country House.

A graphic picture of the creeping socialism and burgeoning debt under the present administration which threatens to engulf the country was painted by Hoffman's eloquent rhetoric. Only a Republican victory can effect a reversal of this tide and a return to fiscal sensibility, he said. Sheriff Charles E. Larson introduced Hoffman, who is a candidate for Illinois Secretary of State.

Herbert Horton was installed as club president for the ensuing year, along with Richard Stribley, 1st vice president; Herman Behm, 2nd vice president; Elmer Eberman, treasurer; Harry Weiland, secretary; Olaf Mathieson, sergeant-at-arms and Harry Stern, publicity director. For the women's auxiliary it was Lillian Gollonka, president; Mary Davis, 1st vice president; Agnes Van Patten, 2nd vice president; Eugene Case, secretary; Marie Delaney, treasurer.

In a show of affection, the assemblage gave house majority leader W. J. Murphy

the biggest ovation of the evening, leaving no doubt who their hero was. Officials from Antioch included Lloyd Murrie, township supervisor; Mayor Cunningham and police chief Walter Scott. Among county officials were Senator Robert Coulson; Chief Deputy Norris Froelich; State Representative John Conolly; Coroner Robert Babcox; State's Attorney Bruno Stanczak; Recorder Frank Nustra; Auditor John Darrow; Clerk Stephanie Sulthin; Treasurer Hugo Schneider. Other office-holders and candidates present, were Orville "Pat" Clavey, Paul E. Hamer, Nick Keller, John Kirby, Sherwin Willens, Robert R. Canfield, Elroy Sandquist, Jr., Howard Kellett, William Rentschler, John Altorfer, who was confined to a hospital and was represented by his charming wife and two beautiful daughters, Theodore Wickman, Douglas MacGillis, Marvin R. Dee, John A. Graham, Warren Wood, Maurice Coburn, Bob Dixon, Robert Milton, John Babcock, E. Heppner, Dave Nissen, LaVerne Dixon, and Joseph Welch.

Dr. W. E. Petty lent an academic touch to the proceedings while Olaf Mathieson and Robert Milton walked off with the door prizes.

SHERIFF CHARLES LARSON, Elmer Eberman, Olaf Mathieson, Herman Behm, Herbert Horton, Harry Stribley and Harry Stern were some of the GOP party members at Saturday night's dinner and installation of officers.

## Good Highway Maintenance

Roads have stayed generally clear through this area most of the winter. Not until we thought Spring was about here did we begin to get the ice and slippery slush that really "bug" the motorist.

We'd like to give a little praise here to the job Blaine Ring, Township Road Commissioner, has been doing on the township roads.

Other years, we came off sanded and/or salted state highways on to slick, untouched township roads. That last quarter-mile home was the worst driving we ran into.

Not so this year. The shoe's been on the other foot.

We came off from slippery state highways on to nicely sanded township roads. It's been a distinct pleasure. What's more, we saw Blaine Ring cruising around giving the roads the once-over at 7:30 a.m. on one of the worst mornings of the winter.

There's nothing more treacherous than suddenly icy roads after a clear spell. The highway maintenance crew that gets to work early in bad weather saves the taxpayer much money in property damage and towing charges for cars that have skidded into ditches, etc.

## More Traffic Means More Business

Last week's Antioch News carried a news story about the Bureau of Tourism.

Antioch's Chamber of Commerce, the Village Board, and everyone else who is interested in the future of Antioch have been seeking means to advertise the town and draw industry and trade. It seems to us that here is something well worth investigating.

The Division of Tourism is a state-wide effort to advertise and draw tourist trade to the state. The success of such programs is easily seen in neighboring Wisconsin and Minnesota.

Antioch's prosperity, in the past, has been built on tourist trade. It came easily then, because this area was readily accessible for vacationing Chicagoans.

As cars improved, Chicagoans could range farther afield. Antioch, as an area, has done little to advertise its attractions.

The Antioch area still has much to offer as a vacation spot. Proximity to Chicago means less travel time. There is more recreation available than ever before—bowling alleys, a ski area nearby, golf, the lakes, a country atmosphere. Yet Antioch, as an area, does not advertise itself.

Now the Division of Tourism offers matching funds to any organization that wishes to advertise the tourist attractions of its areas. Trade for the town of Antioch must be drawn from the more rural areas around it. A concerted campaign by Antioch's Chamber of Commerce, working with businesses and resorts in the rural areas, is certain to draw more traffic to the area, with a corresponding increase in trade.

Advertising once made Antioch known far and wide as "The Hub of the Lake Region". The town has had plenty of bad publicity. A solid campaign advertising its attractions and good points could do much for the town.

Speakers are available from the Bureau of Tourism to explain the State's portion of the campaign. Campaigns put on by other areas, which have proved successful, should furnish a good many ideas which could be applied locally.

## Along The Way

with ANNIE MAE  
NOW HEAR THIS. A growly Easter Sunday sure put a tinfoil on the Easter Parade this year, for winter coats and boots were much in vogue. Last Thursday's brunch for Pat Clavey brought forth over 100 women and a good showing of Spring bonnets. Several important GOP Mrs. absent.

Look what the Easter Bunny brought. Freddie our Friendliest Capl. A brand new robin's egg-blue automobile. THE LATEST REPORT: Sure sign of Spring hereabouts is Eddie Stanich's Scotch plaid tassel cap. Our mail bag this week brings a stern "dressing-down" for ANNIE. Seems stupid little of me put the Dr. Vermorens over on the bench at Waikiki with the Ed. Vos's and all the time the Vos's were surfing it alone. My humblest apologies for placing you in the wrong company. (I still don't know where the Vermorens vacationed.) ... ever notice how efficient all political offices get just before election? Peculiarly gambling never hits the front pages until election time either! ... the race for Coroner is beginning to show signs of having smashing effects.

SIDEGLITS: Wonder what the St. Dept. does with all those old tires? ... Pat Clavey and pretty wife stole away from the shin-dig Saturday night and surprised everyone at the Antioch Bowl by topping the ten-pins in their evening attire! ... Incidentally neither Scott nor Percy made an appearance at the Dance.

THE LAST DROP: There may not have been an Easter Parade on Sunday, but the local ladies made up for it on Monday as they all turned out for the History of Fashion Show, a benefit for Countryside Hospital. An exceptionally talented lady, Mrs. Phyllis McMillen produced a show that will be talked about for a long time ... here's a peek through my looking glass that day: Mrs. A. H. Kaufmann, former resident and past president of the Antioch Woman's Club traveled here for this occasion ... Edith Elms proudly presenting her daughter Louise, visiting from Detroit ... Marie Dieckhoff efficiently dispensing coffee and cake from the kitchen ... every lady enthralled at the fashions of the past, and more than glad to be able to slip into the comfortable styles of today. DID YOU HEAR: It's too bad that those politicians who talk straight from the shoulder don't speak from a little higher up!

On the chin, Annie Mae

By Pearl Kapell  
Pat Clavey's a personable young man. The Republican ladies who attended the brunch at Lorenz's last Tuesday morning applauded heartily when he advanced his solutions to the traffic slaughter in Lake County. Everybody's for stopping the traffic slaughter, of course. But how effective would Mr. Clavey's ideas really be? Raise the legal driving age to 18? According to statistics, the 20 to 25-year-olds have the most accidents. This won't touch them. And, in fact, the 16 to 18-year-olds will probably drive without licenses if they can't get them. As the police say they haven't a big enough force to enforce the laws they now have, when will they find time to police this group?

Stop minors from drinking by making it illegal for them to buy liquor, and imposing a jail sentence on those who do. This was another campaign promise Mr. Clavey made. I can't help wondering why Mr. Clavey has to wait until he's coroner to get to work on this one. He's juvenile officer now. Minors are his special business. As juvenile officer, he's made no progress at all in solving the problem of drinking minors in Lake County. If he feels he has a possible solution to the problem,

## Courthouse Notebook

BY LOU BURNIN  
A bunch of Republican eyebrows went all the way up to here last week with the announcement that William Rentschler, of Lake Forest, has joined a special committee to help pick up candidates for the BGA-backed third party for the state Representative contest in the fall election.

Rentschler, a candidate for the Republican nomination for U. S. Senator in 1960 who has been keeping his name alive as a political potential ever since, is a chronic joiner of political camps, but so far he has confined his activities primarily to Republican causes.

GOP leaders are generally convinced that a third party will cut into the Republican House list more than it will into the better disciplined Democratic ranks among legislative candidates.

This, of course, would mean the loss of House Leadership for the Republicans, which in turn will drop State Rep. W. J. Murphy, of Antioch, from his position as House Majority Leader, and, inevitably, as Chairman of the State Budgetary Commission. Advocates of the North-eastern Illinois Metropolitan Planning Commission and the Illinois Athletic Commission will find plenty to cheer about if Murphy is sacked as a commission chairman since he has indicated these two bodies will be among the first targets of his economy axe.

Theoretically, the third party candidates will be men of high principal who will rise above politics in the political arena which is the House of Representatives, but there is a slight suspicion that Rentschler will be guided in part at least by his own political ambitions when he starts placing his arm about legislative aspirants.

The Chicago Sun-Times in a series of editorials last week took State Treasurer William Scott to the journalistic woodshed for his tardiness in repudiating some pamphlets that appeared to impugn the patriotism and Americanism of gubernatorial candidate Charles Percy. The editorial writers fastidiously pointed out that the authors of the pamphlets because they were full of innuendos, half-truths, and sought to establish guilt by association.

This, of course, is very noble and high-minded, but apparently not all of the news writers read the tabloid's editorials and are not aware that the paper frowns on innuendo, half-truths, and extravagant reaching for conclusions. Otherwise how does one account for the excesses in a story concerning the gambling raid in Highwood conducted by the FBI and state police last week? Highwood was identified as being in Lake County, the bailiwick of State Rep. Murphy, in an obvious effort to link the Antioch legislator to the syndicate operation.

In another part of the story it recalled that the big crap why hasn't he been doing something about it in his present job?

Making it illegal for minors to buy intoxicating beverages, and imposing stiff fines for breaking the laws, is fine. I'm all for it. Jail sentences? No, for several reasons.

First, jails are overcrowded now. There just isn't any place for more prisoners. Second, conditions in jails are such that no one wants to put a decent young person in them—and if this law were enforced, there would be a good many decent young people who would be candidates for a jail sentence. Third, a jail sentence is a black mark on a young person's record that can't be erased. Few judges would want to impose a jail sentence on young people where there were extenuating circumstances, or for a first offense. And a law of this kind should carry a penalty that police officers and judges will have no hesitancy in enforcing in all cases.

So many hours of work, or physical punishment—several judges have shown excellent results with both these methods. Neither one has been tried in Lake County. If we're really serious about wanting to curb underage drinking in Lake County, we have to try something. Why not give it a try?

## SPEAKING TO YOU

By John Burlend  
Director of Social Studies,  
Rockford East High School

With one of the 1964 primaries out of the way, it is fitting to make a fearless forecast on the shape of things to come in this political year. In the opinion of this minor prophet, the Republican nomination will go to one Richard Nixon. There is an offside chance that Wm. Scranton could be tapped for the race, but I don't think so.

Goldwater and Rockefeller are already lost lambs, but the New Hampshire primary was a sign pointing to a one-way street for both of them. Six months ago, Barry Goldwater held the nomination in the palm of his hand. Using the Southern approach, he was fashioning a coalition composed of the South, the Midwest and the Mountain states to act as a base of operations. In October his position was visibly crumbling. Then came the assassination of the president and all was changed.

In the first place, L.J.B. cut the ground out of the Southern front. It is a chemistry hard to explain, but shrewd observers of the South are sure that Johnson has the Dixie vote, even if a strong civil rights bill is passed. A portion of the Goldwater coalition has disappeared.

Second, the assassination had a considerable effect on American thinking. There was a revulsion against extremism and the unfortunate Barry suffered as a result. He is not a Bircher; he

ing conducted by the Subcommittee on Legal and Monetary Affairs on which I serve, representatives of the office of the Comptroller of the Currency and of the Securities and Exchange Commission were vying for control of investments made for private pension plans. Our subcommittee issued a report recommending an amendment to the statute to eliminate any question of this duplication of control by exempting the trust funds in question from the Federal Securities Laws.

A measure, which was aimed at a fuller utilization of automatic data processing machines by the various Federal departments, passed the House of Representatives some months ago. But it appears that the Senate will kill the bill. An obvious explanation of this result is that the separate Federal departments have applied pressures on members of the Senate in order to continue their independent ownership and control of this expensive equipment.

President Johnson's announced aims of economy and frugality would receive a surprising impetus if he would "take off the gloves and knock some department heads together" to end duplications of effort and activity. In addition the President and the Congress should adopt a policy to guard against new duplication arising at the Federal level.

The Bureau of the Budget and the Office of Science and Technology, both of which serve directly under the President, have exerted tremendous influence in producing some semblance of departmental liaison. But the task is a most difficult and stubborn one.

Lack of communication between departments in the great sprawl of our federal government is one cause of duplication which can and should be solved. Departmental pride and jealousy, as well as personal pettiness, should not be countenanced where the result is duplication of activity and waste of the taxpayers' money.

The few examples which have come to the immediate attention of your Representative in Congress must be considered as mere instances of a myriad of duplication and overlapping functions in our Federal government.

Unless the Executive Department is able to make substantial improvements, the Congress should again act as it did several years ago by establishing a new "Hoover Commission" to reduce duplication, waste and inefficiency in our Federal government. My colleague Representative Walter Riehlman of New York, and I have introduced bills in this Congress to carry out this aim.

rather have more time as governor; it doesn't look like the year for his party. Unless Pres. Johnson has some bad breaks or makes some bad bones, he will be very hard to beat. By 1968 Scranton will have had a better chance to prove himself as governor. (Continued on following page)

## Case Of The Experienced Shopper

Car buyers who insist on buying on price alone are running the risk of coming out second best in a battle of wits with an unethical dealer.

How this can happen, even to a buyer who has some experience with the "tricks of the trade" in price shopping, was illustrated once again recently in a case involving a traveling salesman.

When this particular buyer received an allowance quote on his used car some \$200 higher than competing dealers, he was naturally pleased, though he suspected the figure might be a "highball." That's a fake high price allowance for his used car, offered in the hope of luring the shopper back to the dealer's premises after he has finished his shopping tour.

Cautiously, he had the salesman put the offer in writing.

He returned to the dealer some days later to pick up his new car after getting his price comparison tour convinced him that he was indeed getting a \$200 "bargain." It turned out the salesman had made a "mistake." The dealer couldn't possibly offer him that much, and, in any case, the offer hadn't been signed by the proper authority, they were sorry to say.

Meanwhile, our buyer had told his wife, friends and business associates how he had "saved" \$200 by some smart bargaining. Caught in the embarrassment of his own story, he bought the car at a price somewhat higher than a reputable dealer had offered him, rather than confess he had been outsmarted.

## Joan Barski Weds Roger Stahl, Jr.

Miss Joan Barski became the bride of Roger G. Stahl, Jr., recently in an 11 a.m. wedding at St. Peter's Catholic Church in Antioch.

The Rev. Fr. Alfred Henderson performed the double-ring ceremony. The bride, daughter of Mr. and Mrs. Harold Barski, 277 Ida Ave., was given away by her father.

The groom is the son of Mr. and Mrs. Roger Stahl, 34 First Ave., Antioch.

The bride wore a floor-length gown of white Chantilly lace over bridal taffeta. The bodice was fashioned with a scalloped Sabrina neckline and long tapered sleeves. The bouffant skirt had tiers of ruffles on the sides. The veil of imported illusion edged with lace was held by a crown. The bride carried white carnations and roses.

Linda Stahl, sister of the groom, was maid of honor. Miss Judy Madny, cousin of the bride, and Janet Balsamello were bridesmaids.

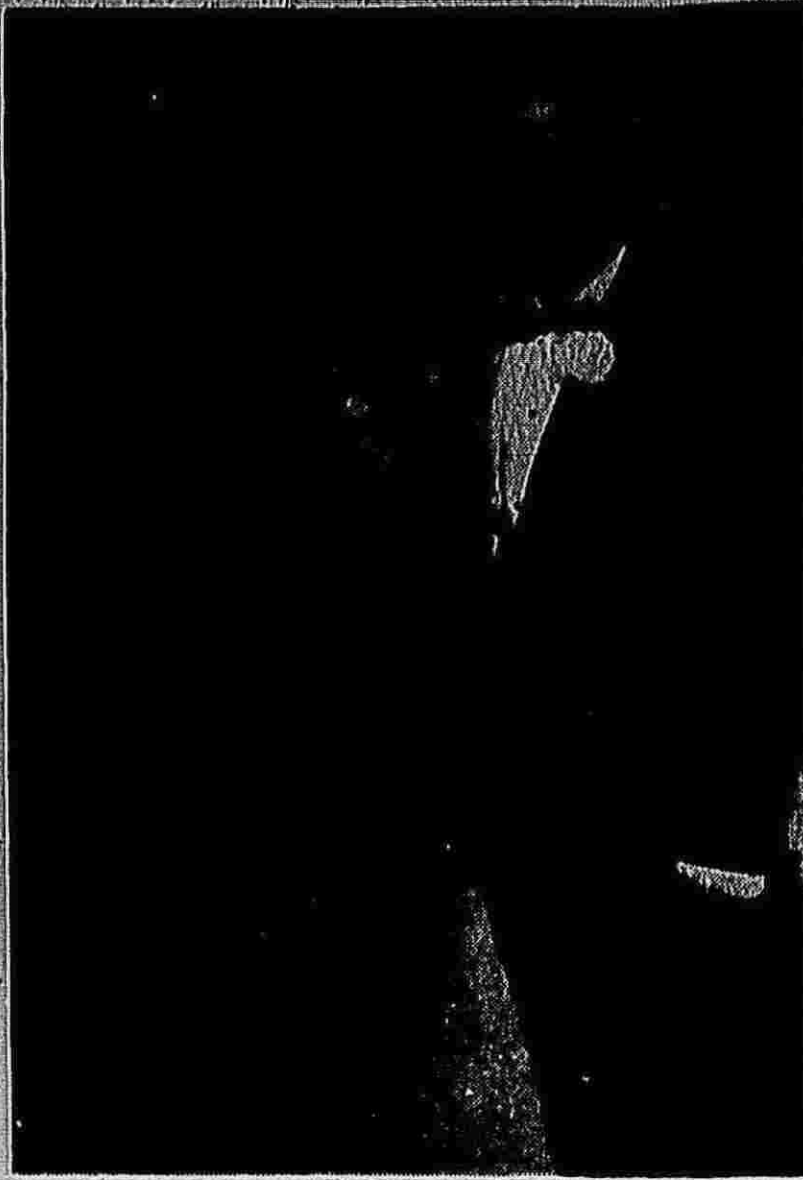

The maid of honor wore a floor-length gown of nectar chromespun, with a square neckline, elbow-length sleeves and semi-controlled skirt with Watteau back. A matching braided headpiece held a blusher veil. She carried nectar and white carnations.

Bridesmaids' gowns varied from the maid of honor's only in color. Miss Madny wore a light aqua gown and carried aqua and white carnations; Miss Balsamello wore yellow and carried matching flowers.

Floyd Davis, Jr., uncle of the groom, served as best man. George Stahl, brother of the groom, and Raymond Chinn were ushers.

A reception for about 200 guests was held at the Angels on Route 83.

The bride is a graduate of Antioch High School and Walton School of Commerce. Mr. and Mrs. Stahl are at home at 910 David St., Antioch.

### LEGION AUXILIARY

By Del Jahneke

"Can you imagine 190 million people without water supplies?" asks Mrs. Anton Johnson, Foreign Relations Chairman of the Antioch American Legion Auxiliary No. 749, when she announced the American Legion Auxiliary CARE program for 1964.

"Experts predict that this situation will exist in Latin America, and especially so, in Ecuador, by 1980 unless something is done at once."

"Rural areas in Ecuador are already facing serious problems caused by lack of water," continued Mrs. Johnson. "Some farmers have already been forced to leave their land, and migrate to other parts of the country."

The American Legion Auxiliary is co-operating with CARE to provide hand pumps for villages without water. This is one of the most important projects the A.L.A. has undertaken in South America, since water is essential for life, whether it be human beings, livestock, or crops, involved.

Mrs. Johnson will further elaborate on the country of Ecuador—its geography, history, form of government, historical sites, etc.—at the next regular meeting of the Antioch American Legion Auxiliary on Friday, April 10, at 8 p.m. On Wednesday (Apr. 8) there will be a 10th District American Legion Auxiliary meeting to be held in Highland Legion Home at 8 p.m.

## Campus News

CARLINVILLE, Ill.—William A. Bonner, of Wadsworth, Ill., was recently named a candidate for the position of Men's Work Manager of the Blackburn College students work program at the college here.

The positions of leadership in the work program are held by students. Under the work plan each student at Blackburn works 15 hrs. a week in partial payment of his education. The Blackburn plan, founded in 1913, was recently adopted by the U. S. State Department as a form of "foreign aid to college-poor nations."

Bonner will have one week to take over as head of this department before a decision is made for the new post. The final appointment will then be announced.

Bonner is the son of Mr. and Mrs. William R. Bonner, Box 210, Wadsworth, Ill. He is a 1961 graduate of Antioch Township high school and is majoring in chemistry at Blackburn.

## Local Man Plans Decency Drive

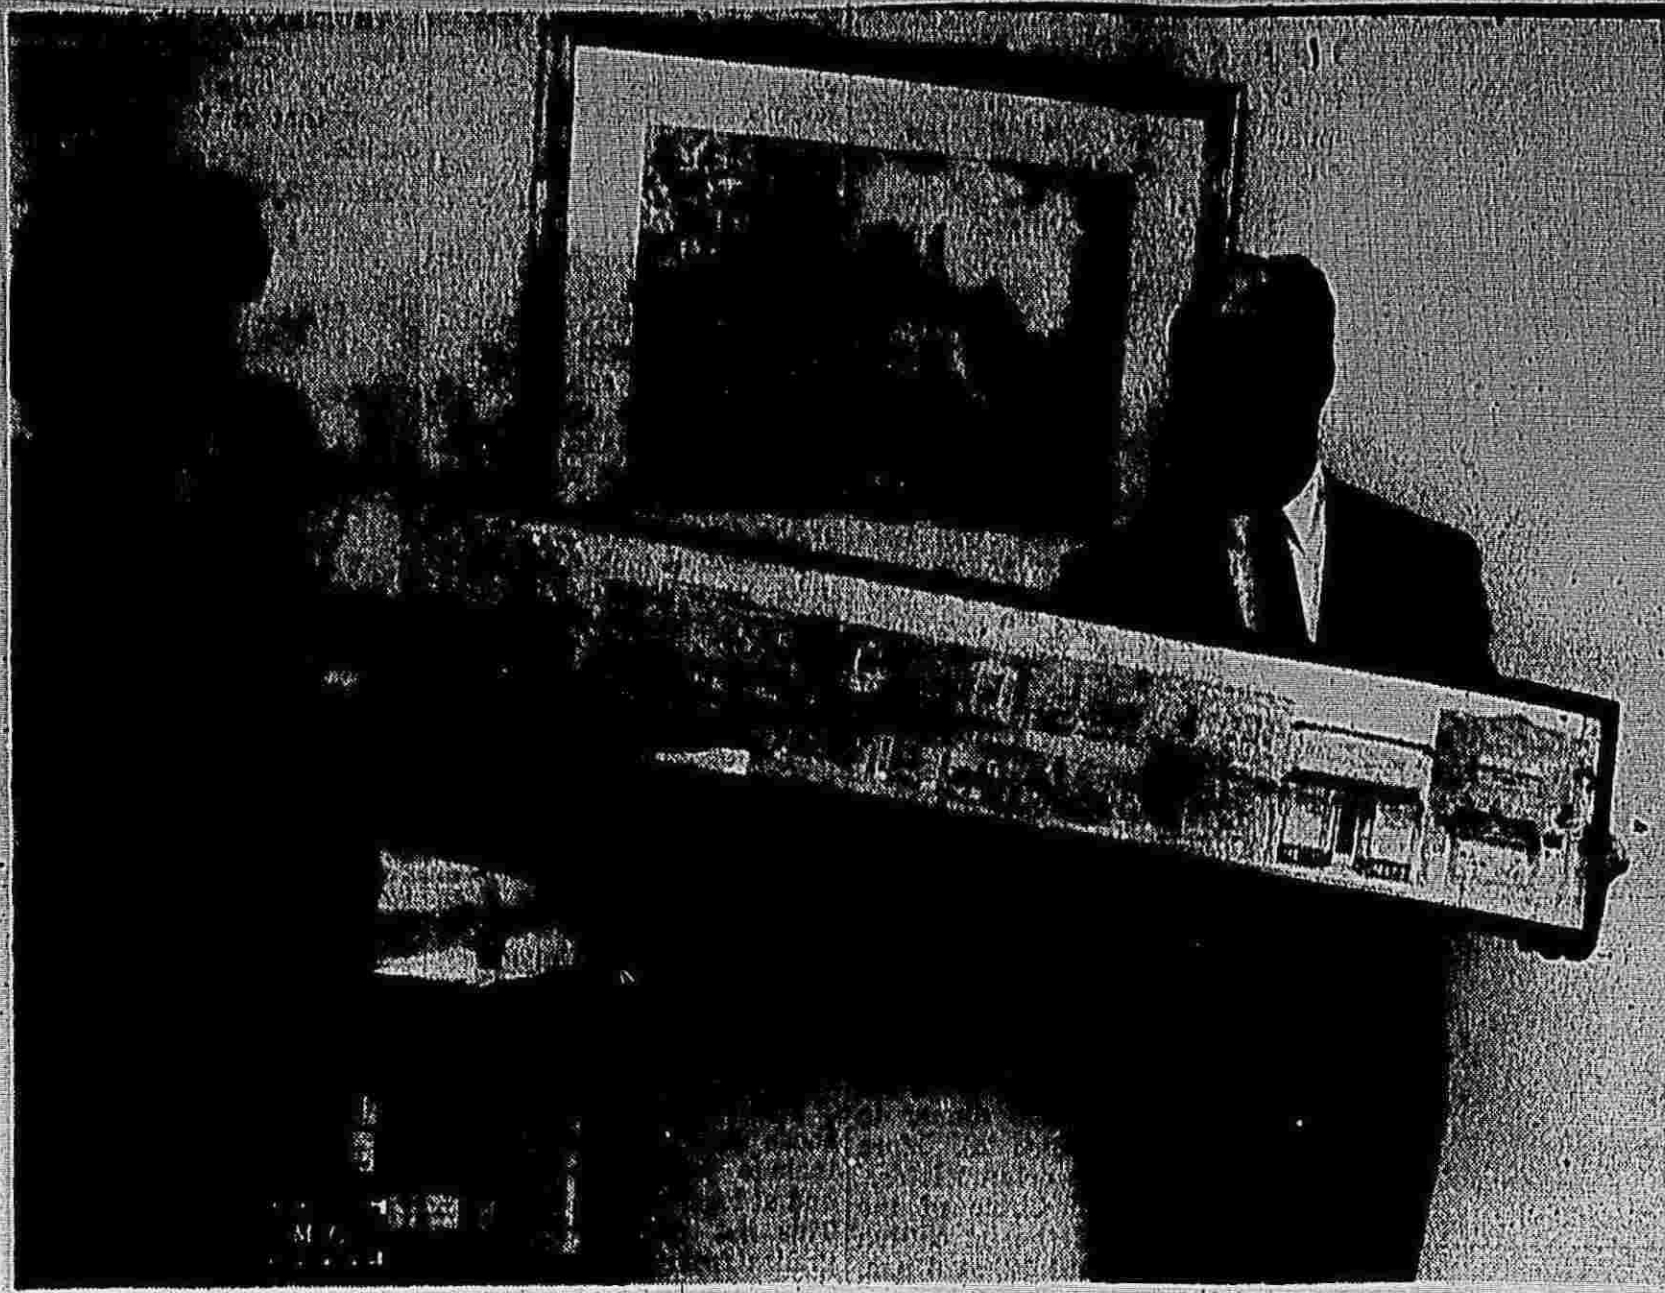

By Mrs. Bernice Bernau  
Are you concerned with the movies that are being shown in the theatres in this area, and the literature that is available in several stores in the community? Although they don't sell the magazines, beauty shoppes and barber shops often have objectionable literature in sight for customers to read. Drug stores, dime stores, department stores and grocery stores are the main offenders.

You may be interested to know that Al Smith of Crooked Lake Onks Subdivision is concerned and is about to do something about it.

In the very near future, he plans on contacting leaders of religious groups in the area, (Fox Lake, Lake Villa, Lindenhurst, and Antioch), to organize a community committee to control objectionable movies and literature.

These men would determine how to go about asking the merchants to cooperate with them. For their alliance, they may be given a sticker for their window showing that they are cooperating with the Decency Committee, and the movies they show, or books they sell would be recommended by the group.

For more information, Mr. Smith may be reached at El-lot 6-8301.

## Your Governor Reports by OTTO KERNER

Illinois has entered a new era in the field of economic development, triggered by key industrial locations and expansion in every corner of the state.

This economic boom was given a new dimension by the announcement last week that Bell Telephone Laboratories, one of the world's foremost research organizations, will locate a \$9 million development center near Naperville, in DuPage County. This laboratory should stimulate the location of other leading research groups in Illinois and will help our state retain many of the qualified college graduates from Illinois who have been seeking employment in other areas.

The electronics center will be located on a 200-acre site and is expected to employ about 1,200 engineers, scientists and technicians. It will be situated in a university-type setting and will have an annual payroll of \$12 million when completed in 1966.

Such facilities serve as a welcome complement to the expanding basic industries in our state, as symbolized by the recent start of a giant new Chrysler plant near Belvidere. A survey by the Illinois State Chamber of Commerce indicates that the number of new plants and expansions announced in 1963 rose nearly 25 per cent over the preceding year.

The study indicates that 1964 should be an even greater year because Illinois has

some assets which just can't be duplicated anywhere in the country. These include an excellent business and tax climate, a central location, unsurpassed transportation facilities, vast consumer and industrial markets, fine educational institutions, plentiful coal reserves and heavy agricultural production.

I have received dozens of letters from businessmen and manufacturers supporting this position. A well-known corporation executive recently wrote to me for example, that his company had decided to expand in the Chicago area.

"You might be interested to know," he wrote, "that we visited and interviewed many states before reaching this decision and perhaps of particular interest to you is our opinion that no state offers the business opportunity and business climate so abundantly present in the State of Illinois."

This increasing economic development, coupled with an aggressive trade policy and an active interest in business by government leaders, offers the best hope of furnishing employment for the many young adults who flood our job market each year. Our success to date can be measured by the fact that unemployment and public aid rolls in Illinois are much lower than any comparable state. With continued hard work in the future, they will remain so.

## Common Errors Made In Tax Returns

Mr. E. C. Coyle, Jr., District Director of Internal Revenue in Chicago, has released a list of common errors made by taxpayers in itemizing deductions on Federal income tax returns. The list was compiled from records of the Internal Revenue Service and consists of unallowable deductions found on returns.

None of the following expenses are deductible: Funeral expenses, water taxes, dog licenses, hunting and fishing licenses, social security taxes, Federal excise taxes on jewelry, tires, gasoline, furs, cosmetics, etc., life insurance premiums, title fees, fines and penalties, (any other item peculiar to the district.)

Mr. Coyle said that when a return is audited, any of the above deductions must be disallowed and the taxpayer must pay the difference in tax.

He said that the instruction booklet mailed to most taxpayers has handy check lists of which expenses may be deducted.

## Sales of Savings Bonds Up

Lake county residents purchased a total of \$345,381 in series E and H United States savings bonds in February, according to Philip L. Speidel, Lake Forest, Ill., general county chairman of the savings bond committee.

Sales in the state of Illinois were \$31,942,012, according to Arnold J. Rauen, state director of the Treasury's Savings Bond Division. This represents an increase of 2.5% over sales for February of 1963.  
During the first two months of this year 19.7% of the state's annual quota of \$355,500,000 has been reached, and Illinois purchases in February represented 7.7% of the national total which was \$413,000,000 in the month. The cash value of series E and H bonds outstanding reached a total of \$47,366,000,000, an increase of \$259,000,000 since the beginning of the year.

## P. O. Cuts Expenses

The cut of an additional 3,100 postal jobs during the fiscal year starting July 1 — as announced by President Johnson recently — will result in limited adjustments in some postal services without impairment of any that are essential. Postmaster General John A. Gronouski said.

The Post Office Department expects to save an additional \$12.7 million during the 1965 fiscal year as follows:

1. \$3,714,000 and 697 jobs by reducing delivery service on exclusively parcel post routes from 6 to 5 days.
2. \$5,286,000 and 1,103 positions by reducing some window services.
3. \$3 million and 850 positions by miscellaneous reductions, such as a reduction in maintenance services.
4. \$500,000 and 300 positions by the recently announced consolidation of regional accounting and data processing functions.
5. \$200,000 and 150 positions by consolidation of 300 small — primarily fourth class — post offices.

Emphasizing that the planned service adjustments affect only "marginal" areas of service and do not impair major services — such as the processing and delivery of first class mail — Mr. Gronouski noted that the reduction in parcel post routes will be made under conditions which will minimize any inconvenience.

The particular day of the week that is cut will, for example, be chosen by the local postmaster to fit local conditions.

In connection with the window service cut, Mr. Gronouski noted that, in certain post offices, window service will be curtailed Saturdays, but postal customers will continue to get all essential services, such as those for sale of stamps or delivery of mail. In some of the big post offices where it is now provided, Sunday window service will be discontinued.

## Jobs At Downey

The Downey Veterans Hospital — a 2487-bed neuropsychiatric hospital for veterans — located adjacent to the U. S. Naval Training Center, Great Lakes, Illinois, has urgent need for nursing assistants, kitchen helpers, janitors, physical therapists, social workers, registered nurses, secretaries, and engineer and registrar assistant trainees.

Persons interested in more information about the hospital may write to the Personnel Office, Veterans Administration Hospital, Downey (near Waukegan), Illinois, or telephone Ontario 2-1900, extension 425.

## In homes with Flameless Electric Heat you almost have to hunt for dust

When you move into an electrically heated home you can practically forget about dirt. Electric heat is as clean as the electric light you read by.

There's no flame or fuel to make dirt, soot, or grime. And electric heat is such gentle heat it doesn't even stir up dust. In fact, in an electrically heated home you often have to look for dust.

### EVERYTHING STAYS CLEAN LONGER

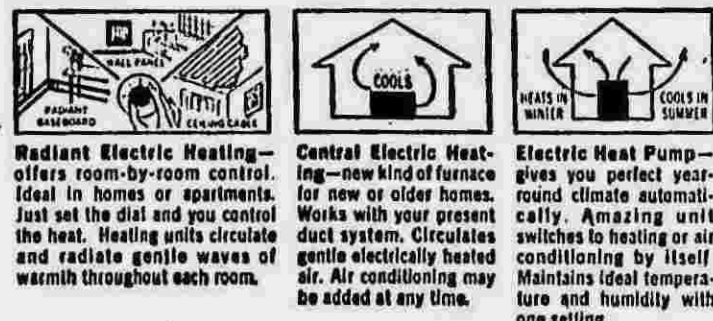

Your curtains and draperies stay fresh and nice for so long you'll have a time remembering when you put them up. Upholstery stays lots nicer, too. Electric heat is so clean you spend far less time housekeeping. That leaves you more time for activities you enjoy.

Living in an electrically heated home has other advantages, too, such as room-by-room heat control and fresher feeling heat that uses up none of the moisture or oxygen in the air. Even your skin feels more comfortable.

### ELECTRIC HEATING NOW COSTS LESS THAN EVER

The recent rate reduction — on Electric Heating — applies to the three basic systems illustrated below. So, if you're looking for a new home... plan to build one... or want to modernize the heating in the home you own, call your nearest Public Service Company office for complete facts on the Electric Heating system that's best for you.

Editor 6-5449

**Complete Basic Training**  
Army Private Edward R. Bernau, son of Mr. and Mrs. Edward W. Bernau, 104 N. White Oak Drive, Lindenhurst, completed basic training March 20 at Fort Knox, Kentucky. When he returns there April 3, he is scheduled to go to Non-commissioned Officers Academy for two weeks, where he will be prepared for advanced training in armor.

He is a graduate of Lane Technical High School in Chicago.

**Prince of Peace Church**  
April 3 will be the First Friday of April. Confessions will be heard on Thursday from 4 to 5 and 7 to 8 p.m. Masses on Friday: 7 and 11 a.m.

The members of the Altar and Rosary Sodality will receive Holy Communion next Sunday at the 8 a.m. Mass.

Children who will be entering first grade in September, must register Sunday, April 5 at 1:00 o'clock. Both parents must attend at the time of registration. Birth certificate is required.

**St. Mark Lutheran Church**  
The Mary-Martin Circle will meet Thursday, April 2, at 1 p.m.

The Miriam Circle will meet at 8 p.m. that evening. Mrs. Ralph Sneed will be the hostess.

Confirmation classes will resume Saturday morning at 9 a.m.

Sunday evening the Luther League will meet for a planning session, starting at 7 p.m.

Norbert Pischke has been appointed the new church treasurer. Chester Fee will continue as financial secretary.

Flowers for the altar were provided Easter Sunday by Mr. and Mrs. James Shanahan in loving memory of both their parents. Members of the congregation also shared their Easter plants.

Miss Carol Meyer from St. Olaf College, was the soloist.

**Investiture**  
Brownie Troop 126 will have an investiture ceremony Thursday, April 9, at the B. J. Hooper School. Twelve girls are to be invested. The girls will be brought in by the eight girls who will be fly-ups in the fall.

**Easter Egg Hunt**  
Mrs. Alta Henry's Brownie Troop 60 and Mrs. Esther Sokup's Troop 269 had planned to have their Easter egg hunt at Lake Linden last Friday afternoon, but on account of the snow, had to change their plans. Instead, the colored eggs were hidden in the basement of the Civic Center. About 40 children rounded up the five dozen eggs that were concealed.

Assisting the leaders, were Mrs. Evelyn Muffitt, co-leader of Troop 60 and Mrs. Helen Myslinski, co-leader of Troop 269 and assistant co-leader Mrs. Phyllis Dragoon.

Troop 269 and Mrs. Betty Wells's Troop 173, will present the program for the Lindenhurst Women's Club meeting April 9.

**Men's Club Meeting**  
The Lindenhurst Men's Club will meet Thursday evening, April 2, at 8:15 p.m.

All men in the Lake Villa Township are invited to attend. Meetings are held at the Lindenhurst Civic Center.

**Smorgasbord**

Do you have a fussy family to cook for? Well, you can solve that problem Sunday, by having dinner at the Smorgasbord, sponsored by the PTA of the Lake Villa School and the Hooper School. Serving will be from 1 to 5 p.m. at the Lake Villa School.

**Sympathy Note**

Sincere condolences are expressed to the John Quinn family of 108 N. White Oak Drive, on the death of his mother, Mrs. Mary Grace Quinn, of Chicago, on March 25. Mrs. Quinn, who was blind, suffered a heart attack.

She also leaves four daughters, Sister Marian Francis, SP, Rita Plizzilla, Cecilia Detry and Barbara Warming. Her husband, Frank, preceded her in death. Services were held Monday at Queen of Angels Church and interment was in St. Joseph's Cemetery.

**New Arrivals**

Mr. and Mrs. Adolph F. Rohrer of 2115 Old Elm Road are receiving congratulations on the birth of their third son and fourth child. Master Adolph, the third, was born

at St. Therese Hospital March 24 at 11:36 a.m. He weighed in at 7 pounds, 15 ounces.

Patrolman Gary Thomas, 1906 E. Grand Avenue is passing out cigars this week instead of tickets. His wife, Barbara, presented him with their second daughter on March 23 at St. Therese Hospital. The young lady has been named Laura Jean. She weighed 6 pounds, 5 ounces at birth.

**Card Party**

The Lindenhurst Garden Club is sponsoring a card party Monday, April 6 at the Lindenhurst Civic Center.

The Channel Lake PTA held nominations and elections of officers at the last meeting. Those elected were: Dorothy Enzenbacher, President, Corrine Case, Vice-president, Louise Gutowski, Secretary, Barbara Bjork, Treasurer, Lorraine Lemke, Historian and Jean Soby, Parliamentarian.

The PTA will sponsor a rummage and bake sale Saturday, April 4 in the school gym. The sale will run from 9 a.m. till 5 p.m. and the proceeds will go toward the school picnic in early June. Donations can be made by calling Dorothy Enzenbacher, 395-1883 or Louise Gutowski, 395-1317.

Dorothy Enzenbacher, Barbara Bierman, Lorraine Lemke and Louise Gutowski attended a mock-convention, concerning the PTA at the Glen Flora grade school in Waukegan Tuesday night.

Glen and Lois Dowell of Woodbine Ave. returned home this weekend after touring the Southwest for two weeks. Some of their visits included Tucson, Ariz., Los Angeles, Calif., Old Mexico, Knobsbury Farms, and the Carlsbad Caverns. While in Tucson they spent some time with Carl and Mary Ann Flowers, former residents of Channel Lake.

Several Channel Lake women attended the Antioch Women's Club fashion show held Monday afternoon at the

# Trip Honors Two Antioch Cage Stars

Two of Antioch High's basketball players are among those to be honored at an Awards Banquet on Wednesday, April 8, to be held in the Ballroom of the Ambassador Hotel in Chicago.

John Lear, 872 Highland, and Victor Rogers, Rt. 3, Box 414, are the two Antioch players who were named by the Chicago Tribune as the Prep Basketball All-Stars for the 1963-64 season. 213 athletes, representing 16 conferences in Illinois and Indiana, and 128 schools are represented.

The banquet is co-sponsored by the Chicago Tribune and the Coca-Cola Bottling Company of Chicago. The Tribune presents each athlete with a Certificate of Merit in Basketball, presented by Wilfred Smith, Sports Editor. George Cobb, president of the bottling company, will present each athlete with a plaque.

The eleven athletes to be honored at the Northwest Suburban Conference Prep Basketball All-Stars, in addition to Rogers and Lear, are Jeff Clink, Elva-Vernon; Gary Schulz, Grant; Ron Taylor, Grant; Bob Caldwell, Grayslake; Ronald Verbeke, Lake Forest; Frank Barti, Lake Forest; Raleigh Galgan, Warren; Mike Freund, Wauconda and Donald Miller, Wauconda.

## Eberman A Starter On Baseball Team

Cadet Elmer E. Eberman, co-captain of the U. S. Merchant Marine Academy baseball team, a graduate of Antioch Township High School is a probable starter in the outfield for the Mariners when they meet Hofstra University at King's Point on Tuesday, March 31.

In high school, Elmer was a Student Council Parliamentarian, an all conference football and baseball player and a member of the National Honor Society.

## Drag Strip Opens Week After Easter

The Great Lakes Dragway, Union Grove, Wis., will open its 8th season this coming Sunday, April 5, as has been the custom since the Dragstrip was built.

The Sunday after Easter has already been scheduled for the big opening. There have been at least 7 gas and nitro fuel dragsters built in Wisconsin over the winter months, and more than that in Illinois. With these, many new 180 plus mph racers, plus the many roadsters and other machines that have competed other years. It promises to be the biggest year in Dragracing.

Drag races will be held every Sunday and holiday through October, with races starting at 2 p.m. and time trials starting at 9 a.m. The Drag Strip is located 20 miles south of Milwaukee on Highway 45, or 2 miles north of the Illinois-Wisconsin state line at Union Grove, Wis.

## New Features At Waukegan Speedway

Gordon Sill, president of the new Lake County Racing corporation, announced today that racing season opens on Sunday, May 3, at Waukegan Speedway. Sill, a general contractor of Antioch, bought out the local race track interest from Midwest Speedways of Milwaukee.

In addition, he says, an association of drivers and car owners has been formed to participate in all motor sports during 1964. At present, racing is scheduled on Sunday nights with "special shows" slated to run on Wednesday nights later in the '64 season.

Parking facilities, refreshment stands and ticket booths have been added during the winter at the local track. More than double the previous number of spectator cars can now be parked and admission gates are provided on two sides. New rest room facilities have also been added on the Belvidere street side. The track is located between Washington and Belvidere streets just west of Green Bay Road.

To date, more than 80 Lake County drivers and car owners have joined the association with an additional 50 members from Wisconsin. This size field should provide nearly 100 of the finest race cars in northern Illinois and southern Wisconsin to clash in Modified and Stock classes.

Bill Wilson, former Soldier Field announcer, will handle the shows, Sill said. A new public address system has been installed with many additional speakers to cover the east and west stands. Seating capacity has also been enlarged to accommodate 5000 fans. The pit areas, too, have been expanded and new fence is being erected this week.

A variety of "special events" will possibly include midjet and motorcycle racing, demolition contests and spectator races, according to Sill. A new battery of lights will brighten the track also.

## Six Lettermen To Bolster Salem Team Next Year

By John Hansen

Salem Central officially ended its '63-64 basketball season by naming Bob Hofer the most valuable player for the second year in a row and electing Ron Well and Joe Flaschner as co-captains for the next year.

Hofer led the Falcons in scoring and in the process set a school scoring record by scoring 35 against Union Grove. He also led the Southeastern Badger Conference in scoring. Well and Flaschner were the Falcons' regular guards during the year. Flaschner's best scoring efforts were 19 against Oak Creek and 18 against Wilmet; Well's best was 17 against Waterford and 15 against Mukwonago.

This season saw the Falcons cop their fifth straight conference championship. Coach Dorm Gram's cagers went through SEBC action unblemished in 9 games. In non-conference and tournament games the Falcons were 7-4 for a 16-4 overall record. During Salem's 5-year reign as champs the Falcons have compiled a 56-7 conference log and an equally impressive 80-22 record for all games.

Going into the first game of the year, the Falcons had only three players with a great deal of varsity experience: Hofer, Flaschner, and Lyle Fouke. During the nerve-ringing 65-53 conquest of Antioch, however, the Falcons didn't get shaky and make silly mistakes. It was the senior-laden Antioch five that resorted to desperation moves in the waning minutes. The Sequoias' big man 6-8 Vic Rogers was held to a mere 5 points. Throughout the year it was the Falcons' balanced team play that beat teams bigger than Salem.

After the Antioch game, Salem edged Oak Creek in a poorly-played game. Rebounding into good form, the Falcons crushed Big Foot and St. Mary's and beat Waterford in the conference opener. Two more wins, over Wilmet and Mukwonago, gave the Falcons a 7-0 record at the holiday break.

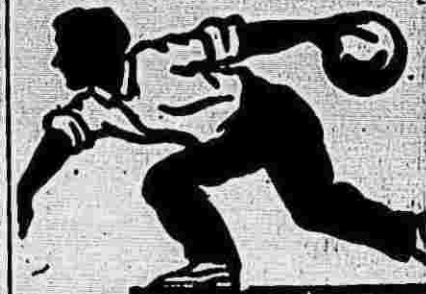

Entering the new year undefeated Salem saw its win streak snapped by Kenosha Bradford. Kenosha was rated number 1 in the state in the final WIAA ratings; Salem received honorable mention. Bob Hofer started an individual scoring surge after the Kenosha game. Up to it he had been averaging 12.1 points per game; in the remaining 12 games he scored at a rate of 22.5. His best totals during the period were: 35 (twice), 31, and 26. Wins over Union Grove, Oak Creek and St. Mary's boosted the Falcons' record to 10-1. The Falcons failed to come back, despite some brilliant shooting by Jim Herda, after a terrible first half and suffered their second loss of the year as Burlington prevailed 59-54.

The next game followed the same pattern but the result was different. Salem fell behind early but made it up in the last quarter and won it on a basket by Glen Muhlenbeck with 2 seconds left in the game.

Hofer broke the scoring record in the next game, a 72-62 win over Union Grove. Earlier in the season, against Waterford, Hofer and Flaschner could not play much due to the flu and Bruce Dunek came through with 17 points to take up the slack. For the same reason, Hofer was not able to even dress for the game with St. Mary's. Besides missing Hofer's scoring and rebounding the Falcons also missed the basket with regularity and almost lost. It took 8 straight points in the last minute to pull the game out. With Hofer back the Falcons beat Waterford to clinch the title and split the last two games scheduled, beating Union Grove and losing to Clinton.

The week of the Regional tournament, the Falcons suffered a setback when starting center Bruce Dunek was involved in an automobile accident and had to miss the tournament. Dunek and Hofer had been the Falcons' two best rebounders. It took a 35 point performance by Hofer to beat Delavan 58-57 in overtime in the semi-finals. In the finals Burlington capitalized on the absence of Dunek to control the boards and the game, winning 70-51.

The outlook for next year is bright. There will be six lettermen back, plus Rory Boucha and Guy Flaschner. Boucha, a sophomore, and Flaschner, a freshman, both played some on the varsity and look like they will be ready for next year. Coach Roger Terry's "B" team was 15-3 this year so it looks like the well of basketball talent at Salem is not about to run dry.

Thursday, March 26

With six weeks of tenpinning on the 63-64 schedule, it's still a wide open race for flag honors. Currently in front is Dalgaard's IGA by one game. Pushing the IGA team is Taps-Chops-Cherries, followed closely by Colonial Home and Rudolph Turkey Farm.

This week's session produced some good scores, with Gibbs & Jensen blasting the way with 2930-1027, taking two from Colonial Home, who also shot a big 2844-1018. The Gibbs array was led by Bill Christianson with 613, Dick Erickson 592, Ray Jensen 672, Ray Plautz 590 and Bob Morton 563. Leading Colonial Home was Earl Barnes with 610, Ray Nas-trucci 582, Earl Hogan 571.

Russ Dewar with a big 608 and teammate Roy Hartman's 600 paved the way for a double win for Dalgaard's IGA, over Haydon Homes. Haydon's rolled the season's high game of 1054. Mike Osga again led the solo scoring with 649. Looks like Mike is after the most improved bowler award.

Rudolph Turkeys took a pair from Taps-Chops-Cherries, with Gus Siedschlab rolling 570.

John Vasta and Vic Grumbeck paced Beauti-Vue Products to a double win over Slide Inn. John had 608 and Vic 600, with Ed Drinkwine rolling 569 for Slide Inn.

The four top teams are: Dalgaard's IGA 53 34 Taps-Chops-Cher 52 35 Colonial Home 49 37 Rudolph's Turks 49 37

## Bowling Tips...

### TEST YOUR DELIVERY FOR GOOD FOLLOW-THROUGH

Proper follow-through—a necessary factor for maximum "strikepower"—can be attained in a few practice sessions by the simple device of placing a towel at the foul line. If the ball hits the towel, you're releasing it too soon. Ray Schanen of Milwaukee, one of the nation's top professional bowlers, also points out that dropping the ball too soon is just as harmful as letting the ball. Strikepower is gained through the just-right combination of speed, spin and aim. And proper follow-through is vital for top strikepower.

I was sick. I had ear infection. We put hydrogen peroxide in my ear to kill the infection. Then we put the ear drops in. When the hydrogen peroxide goes in it boils the infection out. The ear drops are cold.

RANDY LUNDGREN

On Monday we read 'Neighbors on the hill.' That is what we read on Tuesday, Wednesday, and Thursday. But on Friday we don't read neighbors on the hill we read our individualized reading. He have rings and who ever reaches the floor first gets a prize the prize could be a dog. I like the 'book of the Bobsey Twins and Pete the Parakeet.'

JANET KROEPLIN

In the summer father started to build part of the house. He painted the two parts of the house. He did not paint the inside. The other side looks pretty with colored wood. At first there were all sorts of birds. There are big birds and little birds. The bottom was done before anyone was done. It is a recarasinroom to play in. We play with our toys and our dog. He likes to play in it very much.

PAMELA BURDICK

My dog got hit by a car but he is still alive he black all over except on his chest. he is a nice dog. I play with him and I and my dog carry things from the garage to the garage and the things we want we have to give to my Mom if my mom don't want it I take it if my dog wants it he jumps up on my back but if I want it I put him down on the sidewalk and we go back to work. He has a pen in his leg now I do not know when hes going to get it out.

When we were in klace today a yellow plow truck came and there was a lot of snow by the side of our school and the plow truck came and drove up by our window and all of us ran over by the window and watched the truck I went behind the bookcase and I jumped up on the window eel and watched it it was exciting and it was fun.

DAVID WEGNER

My father and I went to the store and raced cars. My father won a model for me. We made it last night. I got a new model to build to night. I like it very much. I like my boat the best. It is pretty I like my airplane too. I got a car model to build to night and a horse.

DAVID BUSHING

I got a farm. My neighbor and me like to ride a horse. one day a horse got out. But my Father got him. Him name is big red. Him red but him not big. But I like him. Him pretty to. I got 20 horse. One horse I like her name is Pep. Her old to. Her slow to. I like all of the horses.

PATSY FLETCHER

In the cafeteria we are supposed to be very curious. If there is something we don't like we are supposed to taste some of it. Some people don't even taste it. I like everything except beats. But I taste some of the beats. Once one of the teachers had a whistle and said be quiet. Stacey and I were talking soft, and when she blew it we jumped up. Mrs. Whitacre sits by two children on holidays. For Valentines days I sat by her. The best food I like is barbu. Today

We sometimes fingerprint. We can use red, blue, yellow, and green. On Ester we make little bunnies and colored them. On Christmas we made a Santa Claus face. And we paint at back too. For the window we blew the egg out of the shell and we put some rabbits in the window too. We are going to make a Easter basket out of a salt box. We made two flowers and they are called Jonquills and Ester Lillies.

DEBRA STOWE

We went to a farm. And we had dinner there too. Then we went in the hay loft. We made a fort out of hay, lee and ellin and lee were fling Kites. Leo got scotties kite in a tree. leo was on star-bright. Ant vurn gave me some toys. Star-bright is not trained to ride yet. In the hay loft we played war.

MARY EHNET

We have a puppet show every Friday and we pig the people we want to help us some puppets are dogs and cats and we had to paste the box and we pitk the people to read for us. We have some people to shut and open the krtns and some of the color are red yellow black green purple brown and orange. and the krtns are blue.

KEVIN BAUMANN

On a Friday at 12 o'clock, my father just got home when he hears a car crash. Sharon heard it then she got up to see what happened. Sharon look out the window, father went outside to see what happened. Mother and I was sound asleep in bed. We didn't hear a sound. There was one man in the car and he was unconchus. His feet was under the tiler and the tiler is still there. I didn't know how I feel because I was sleeping. No-bode know how they feel when morning came I woke up and then my sister woke up and my sister told me about it. She said that a car crashed into the pole in front of our house at 12 o'clock. I looked out of the window and father went outside.

What color was the car? I think it was red. There was a man in the car and he was unconchus. Do you know what he said? Father told me that he said where is my wallet. He thought he lost his wallet. Then she said that she heard the sirints coming. And when that was over I went to bed. That's all that I can remember from last night. I have another thing to tell at school. Then I forgot to write about the crash I wrote about my dog.

JOHN TREMPE

We had two truck. One of the truck can't go back. We are going to put window in it. And we are going to put sets in it to. It will look pretty. We can play in the back. We will had fun. I will see some house and cow. I think I will like the big hills. I think the big big hills with the grass. My Grandmother and Grandfather are going to. The truck is gray and with truck. We are going to fix the truck. I will look pretty. Fold up sets. We can go fishing. We can bring sleeping bag. They will be green. Maybe they orange. My mother can make cookies. We have doors in the back. Two of the door don't have window. My Dad can drive so van my Mother to. We can play game like down on the farm. We can go hunting. We can get fox I think.

TOMMY ROBINSON

My dog and labys dog got in a fite my dog bit labys dog then they ran away then my dog camn back and then a man kied him and we did not see him again.

GARY MYERS

SUPERSONIC — Galley 3 — This is about a dog. Her name is Laurie. Then I got this dog he followed me home then we got this dog we keut him. He ran away but a policeman gave him to me. Mother want to the store to get some dogfoot. Then we kept him. Then we named him. I took him for a walk. The next day he ran away and the next day we saw him. I was hopping he wood come back. but he did not come back so we did not caer. He never came back so we four-got all about it.

BILLY MASON

My treehouse I have started last summer when we first moved in to the house. I saw a tree. And I thought. But then I said to my brother. Lets go make a treehouse up in that big tree. And then he thought then he said ok so we started to build it. Now we have to fin one down and make a bigger treehouse. Today we got out early. And I think my brother is going to help me. My father bring some wood home. I have started to build. Last night my father help me and we got lots of work done. We bring home wood and I was telling you last night we got a lot done. The wood that he bring home. We put all of them on the treehouse.

report from the Southeastern trators. Dr. Leroy Lubeg, Dean of Students at the University of Wisconsin, addressed the administrators on the subject of the "Prospect and Possibility of a 4-year University Branch in Southeastern Wisconsin" at a meeting at Central High School in Salem last Monday evening.

Local administrators hope the 4-year University branch will materialize in this area, perhaps somewhere between Racine and Kenosha.

You Can See It...You Can Taste It!

The EAT in the MEAT that makes "Super-Right" your best buy shows up in a way you can see. You see it in the corn-fed beef steaks and hearty rib roasts that have the wasteful fat and bone trimmed away. You see it in the bright color of the freshly ground beef that's double-ground for tenderness. You'll see it where it counts — in the meat you serve your family — in your budget, too!

The EAT in the MEAT that A&P promises, starts long before you see it, however. It begins with A&P selections from the nation's top packers. They know "Super-Right's" strict quality standards for beef, pork, lamb, veal and poultry. And our buyers know that if every pound can't be guaranteed — it's not "Super-Right" quality.

The EAT in the MEAT comes only from constant care. That's why A&P maintains its own gov't-inspected warehouse (A&P is the only merchant that has one in Chicago). Under the watchful eye of our staff of experts passes every pound of meat destined for your family. This care continues right up to the minute your purchase is made. You can count on "the EAT in Super-Right meat" — and on A&P's money-saving prices — because we care about YOU.

The EAT in the MEAT is guaranteed at A&P. The meat we sell must satisfy your family completely or your money will be refunded. The store manager and all persons in your A&P meat department know this — and they are as determined as we to offer the best meat service in town.

COME SEE...PROVE TO YOURSELF THAT "SUPER-RIGHT" GIVES YOU THE EAT IN THE MEAT

## ANTIOCH TOWNSHIP REPORT OF CONDITION

Year Ended January 31, 1964

JEDLE & CAIN  
Certified Public Accountants  
Box M, 1200 Main Street, Antioch, Illinois  
February 25, 1964

Mr. L. E. Murre, Supervisor,  
Antioch Township  
Antioch, Illinois

The following statements reflect the various cash receipts and  
disbursements handled during the fiscal year of February 1, 1963 to  
January 31, 1964 for the various funds for which your office is  
responsible. These statements have been prepared from the books,  
as kept by our office and verified by reconciliation with the source  
documents. Our examination was made in accordance with generally  
accepted auditing standards and included such tests of the accounting  
records and such other auditing procedures as we considered necessary  
in the circumstances.

All cash receipts were traced to the separate depositors and the  
various funds were reconciled to, and verified by, the banks.  
Statements included are:

Schedule 1 — Summary of Funds  
Schedule 2 — General Town Fund  
Schedule 3 — Road & Bridge Fund  
Schedule 4 — Black Top Road Improvement Fund  
Schedule 5 — Special Funds  
No special mention has been made as to the various unpaid ac-  
counts, as of January 31, 1964, inasmuch as they serve no purpose to  
you for they are only the same type which recur from month to month.  
In our opinion, the accompanying statements present fairly the  
cash transactions of the various funds of Antioch Township for the year  
ended January 31, 1964, on a cash basis consistent with that of the  
preceding year.

Yours very truly,  
(Signed) NORMAN S. JEDELE
